

SS Peter and Paul School Yearbook

1973

GEN

SSPE

We dedicate this book to our class - the Class of 1973. As you turn the pages of this book, relive with us the "Memories" of our years at SS. Peter and Paul. You too can appreciate, as we do, all those whose efforts have made us what we are today.

We thank Father Senderak, our Pastor, whose efforts to keep our standards high, shall never be forgotten; Father Kew, who in our last year completely changed our outlook and attitudes toward life; Father Jerry, who instructed us in the deeper meanings of our Faith; Sister Mary Anastasia, who put up with us through our many moods; all our teachers in the other grades including music, art, and gym.

As we take the step into the future, our "Memories" will reinforce our lives to help us in what we hope to become.

FIRST GRADE

EXPLORING FANTASY WORLD

It's Library Day
Too many to choose!

A BIG DECISION

What should it be....
Astronomy, ecology,
zoology, ... or just
a good story book?

Fascinating adventure,
checking out a book.

We work hard to get to
reality.

Second Grade . . .

Deep in Contemplation!!!

Is it Math or Science that
is the cause of such concern
to these little people?

Oh, look!! All these
people have the answer.
It must have been very
humorous. Or are they
smiling for Father Jerry?

They're next in line for
tryouts!!

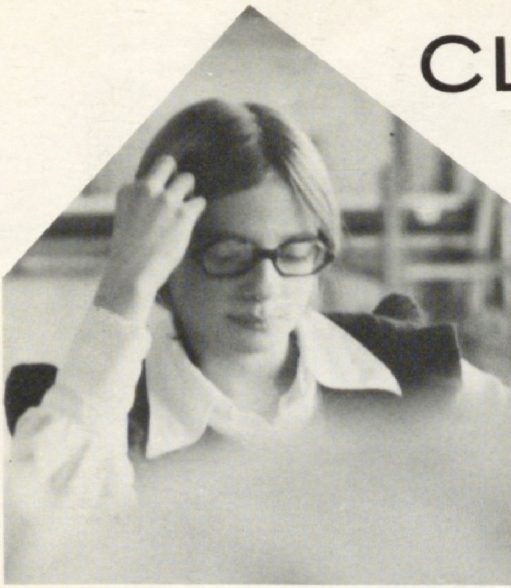

Even in gym class they wear
a smile !!!!!

FOURTH GRADE

CLASS OF 1975

Principal's Message

Dear Graduates,

The month of May brings to an end your years of school at SS. Peter and Paul. For many of you it was eight years under the guidance of Priests, Sisters and Lay Teachers who were interested in you and your abilities. The newcomers to our school blended in well with the rest.

We hope that you will carry through life the lessons you have learned during these early years that you may be a credit to the school and faculty. You were privileged to assist at Mass and to receive the sacraments frequently. We want you to continue what we have begun here at school.

There is no more we can do for you, but we promise that our prayers will be with you. May God give you the grace to put into practice the lessons you have learned.

Sincerely,

Sister Mary Anastasia

Thanks

Dear Pupils of SS. Peter and Paul,

Another year is drawing to a close. For many of you it has been a year of hard work and the results are satisfactory. Those of you who have not put forth their best have only themselves to blame. You can make up for lost time only by resolving to do better at the beginning of next year.

I would like to express my sincere thanks to all the teachers for their selfsacrifice and cooperation; to the ladies in the library who came each week to help; to the mothers in the office whose work made ours easier; to the gym teachers for all the time spent in training our students to develop their bodies in the best way; to the mothers who by their work in the cafeteria and on the playground gave the teachers time to relax a little before taking on the afternoon classes; and to the ladies and Mr Kirk for the time spent in preparing our meals, serving and cleaning after lunch. Last, but certainly not least, we owe a special word of thanks to the children who gave of their time to help clean windows, and the school grounds.

May God bless you for a job well done.

Sincerely,

Sister Mary Anastasia
